

**SUPERIOR COURT OF CALIFORNIA
COUNTY OF KINGS**

TO ALL VENDORS THAT SUMITTED PROPOSALS FOR
RFP NUMBER 0502-EDDS0001
ELECTRONIC DOCKET DISPLAY SYSTEM

Questions to this proposal were submitted by High-Tech Electric on May 15, 2007. Due to the fact that Steve Miller was terminated, there was a failure on the part of the Court to get these questions answered in a timely manner. None of the summated bids have been opened at this time and will not be opened until this oversight has been dealt with in a fair and equitable manner.

Please review the attached questions by High-Tech Electric and responses by the Court. We request that if you believe after reviewing the questions and answers that your bid will need to be revised, your revised bid will need to be sent to the Court postmarked no later than June 8th 2007 at 5pm. Pacific Standard Time.

If you feel that your bid does not need to be revised, you must e-mail Project Manager Kenneth Dones at KDones@kings.courts.ca.gov confirming your bid can be opened as stands. All bids will be opened after June 13th 2007. If necessary companies will be interviewed by June 22nd 2007. The successful vendor will be informed of the award by June 25th 2007.

Thank you again for your patients and understanding in this matter. The Court looks forward to working with your company.
