

Superior Court of California County of Kings

**RFP Number FAC0421-2017
For Unarmed Security Services**

**Questions and Answers
From Vendor Pre-Proposal Conference**

**Held on May 2, 2017 in Training Room
From 8:30 a.m. to 9:30 a.m.**

Question #1: For the new contract, will the Court want to see or receive anything different as related to services, than what the existing contractor is currently providing?

Answer: For the most part, the contract needs will remain the same as specified in the RFP's Scope of Work. Depending on Sheriff Bailiff staffing, there may be a possibility in the future of utilizing guards in a courtroom setting as Courtroom Attendants responsible for maintaining order and decorum.
