Please be advised that it is proposed by the Judges of the Kings County Superior Court that certain local electronic filing rules be adopted for implementation beginning on October 1, 2014. Specifically, the Kings County Superior Court proposes to adopt via vote of the elected judicial officers of the Kings County Superior Court on September 2, 2014, local rules consistent with California Code of Civil Procedure section 1010.6 and California Rules of Court, rules 2.250, *et seq.* that will aid in the Court's implementation of its new court-wide electronic filing and record maintenance system ("E-filing Rules"). The system is expected to "go live" on October 1, 2014.

Beginning on July 14, 2014, a list of the proposed E-filing Rules will be posted on the Court's website (<http://www.kings.courts.ca.gov>) for review. In addition, paper copies of the intended new/amended fees will be available for review in the Clerk's Office of each Division of the Kings County Superior Court.

The Court specifically invites any comments you may desire to make regarding The Court's proposed fee changes. Requests for paper copies of the proposed fee changes and any comments thereto, must be received before August 28, 2014, and addressed as follows:
