

Superior Court of California County of Kings Wireless Access: Windows XP

The court provides a free Internet **Wi-Fi** network or "**Hot Spot**" for complimentary use by court users and guests. The Court now provides wireless Internet access at the following court locations: Hanford, Avenal, Corcoran, and Lemoore. Courthouse visitors to these facilities are able to access the Internet with wireless enabled laptops or personal desktop assistants (PDA). The following is a step by step instructional on how to connect to the wireless network using Windows XP. For your convenience these instructions along with the [trouble shooting tips](#) guide can be saved or printed.

Go to **Start** then **Connect To**
and choose **Wireless Network and Connection**.

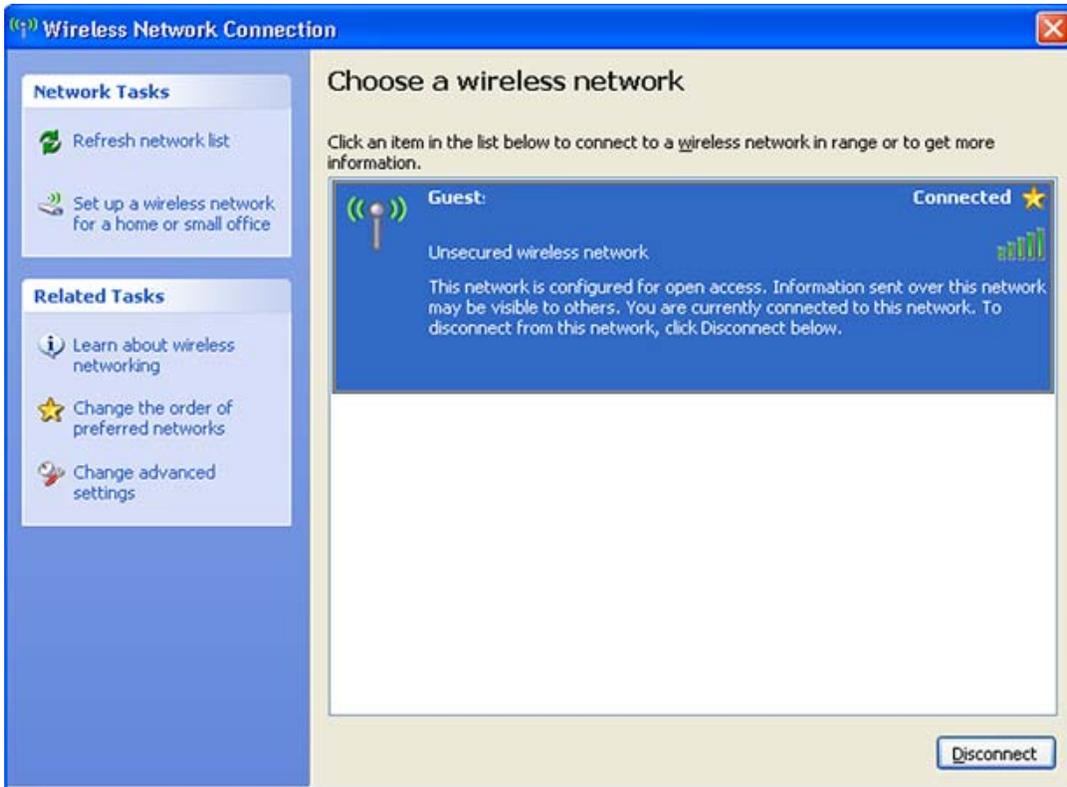

Click on **Guest** to highlight and click on the **Connect** button.

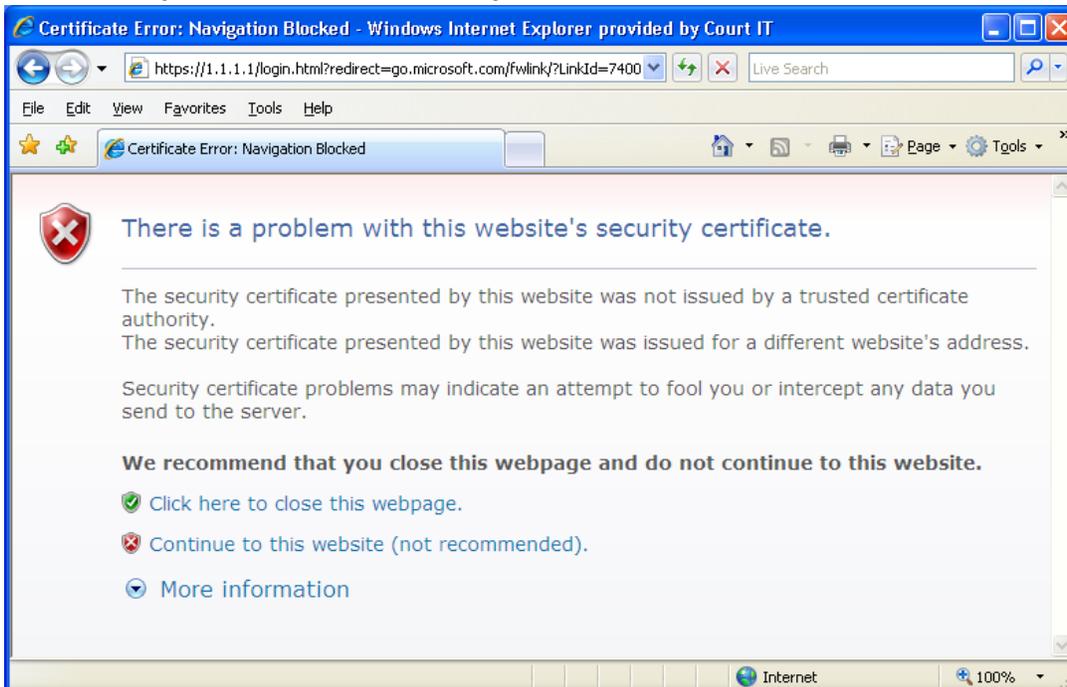

It will take a few seconds to connect.

You should now be connected.

Now you need to open up a web browser. You will see a warning about the security certificate which is expected. Click on ***Continue to this Website (not recommended)***.

Read through our Acceptable Agreement Policy and our [Terms and Conditions](#) of use. Enter the given username and password, then click the **Submit** button.

The screenshot shows a web browser window titled "Web Authentication Preview". The page has a blue header with the word "Login" on the left and the Cisco logo on the right. The main content area is white and contains the following text:
