

HELP **WANTED!**

at the Superior Court of Kings County

The Court needs Volunteers in its Hanford office.

To be a Volunteer experience is not required, but you must be over 16 years of age, have reliable transportation and must not have an existing open case in the Superior Court. Upon request Volunteers may be subject to a Livescan background check and drug screen.

If you want to gain work experience, use time wisely, or are looking for new ways to serve your community the Superior Court of Kings County is looking for volunteers to take phone calls, do filing, do data entry, distribute papers, and work with the public. Bilingual skills are a plus, but not required.

The Court is looking for individuals to work at least three hours a day for three days a week.

Volunteers will assist the Court in getting the job done.

Our State Budget Deficit is forcing the Court to process cases slowly.

By becoming a Volunteer (no pay, no benefits) YOU can assist the public of Kings County and help us process cases faster.

Please file a volunteer application with the Superior Court Human Resources Office located at 1640 Kings County Drive, Hanford, CA 93230. Our phone number is (559) 582-1010, extension 6021.

Help the Court, the Community, and you!
