

THE SUPERIOR COURT OF THE STATE OF CALIFORNIA COUNTY OF KINGS

COURT EXECUTIVE OFFICER AND CLERK OF COURTS MEDIA PLAN

The conditions and procedures specified in this Media Plan may be subject to modification by the Court at any time before, during, and after the hearing.

The Media Plan was originally developed and endorsed by the Judges of this Superior Court in March of 1996. Revisions have occurred as necessary.

Established in 1996, the Court's Media Plan was designed to meet various objectives related to media relations in the Court, with great emphasis placed on reinforcing public trust and confidence.

Educating the public about the role and work of the Court, accessing information about Court processes and services, transparency, and, above all, responsiveness to our community - are all part of meeting our principal responsibility of serving and being accountable to the public.

As appropriate, guidelines have been established to assist Media representatives in fulfilling their journalism objectives, once authorized by a Judicial Officer to enter a courtroom for coverage. The Media's observance of Judicial Officer directives, specified in written "*Orders on Media Request to Permit Coverage*", is essential to ensuring an appropriate atmosphere prevails in the Courthouse during the course of Court trials and members of the public and Media are accommodated successfully.

Media representatives interested in obtaining Court case information, addressing questions, or conveying concerns, may do so by contacting the Court Executive Officer.
